## 2018 Contributions and Charges

**Davallia Primary School Board has endorsed the schedule of Contributions and Charges for 2018. The schedule is broken into five sections and will allow you to calculate all costs that may be incurred throughout the year.**

**The costs outlined are maximums that the school will not exceed. Actual costs for most parents will be well below these figures.**

### PERSONAL ITEMS – SCHOOL REQUIREMENTS

The Personal Items list covers consumable items and it must be remembered that “top ups” will be needed from time to time. You are welcome to purchase these items on the School Personal Items list at any retail outlet of your choice, but we do offer the convenience of pre-ordering and delivery to school through our chosen supplier Champion Education. In some year levels cost has increased due to the fact that teachers have made an effort to streamline lists so that the same item can be used from year to year. **Parents are encouraged to purchase only the items that their child actually needs and to RETAIN items from the previous year where possible.** The following table gives the costing for each year group as endorsed by the School Board:

| YEAR GROUP   | COST 2016 | 2017   | 2018   |

## CONTRIBUTIONS – Voluntary

The total amount of contributions parents/caregivers are being asked to pay is **\$60 per student**. This is in accordance with the School Education Regulations 2000. The school **needs your commitment** to the voluntary contribution as it is a major source of funds for the school and relies on **all** families contributing. Your contribution will be used to supplement school funding for the purchase of resources needed in the provision of the learning program activities.

*The School Board would like to point out that the voluntary contribution per child equates to \$1.50 per week over the course of the school year.*

## CHARGES

Throughout the year there will be charges (excursions, incursions, swimming, dance, carnivals, camps etc.) that vary from class to class and child to child. Based upon history the school sets a maximum that is not to be exceeded for that year. These “user pay” **maximums** for 2018 are set out below. The amounts encompass all *possible charges* that **could** eventuate, however in most cases the real cost will be significantly less. **Charges are billed at the time of the activity and spread over the four terms.**

| YEAR GROUP       | COST 2017 | 2018     |
|------------------|-----------|----------|
| Kindergarten     | \$90.00   | \$90.00  |

## P&C VOLUNTARY LEVY
