

DAVALLIA PRIMARY SCHOOL KISS & DRIVE

The bays at the front of the school on Juniper Way are the only designated Kiss and Drive Area.

During Kiss & Drive times, these bays have been set aside SOLELY for **dropping off and picking up** children in Yrs 1 – 6 while the driver remains in the car.

KISS AND DRIVE TIMES

Set Down: 8.30 – 9.00am
Pick Up: 3.10 – 3.30pm
Wed early finish: 2.45 – 3pm

NB: *Parents are expected to collect students close to 3.10pm as this is when the school day finishes. Although Administration is always present, it is not their responsibility to supervise students after school hours.*

This area is sign posted as a **NO PARKING** area between 7.30 and 9.00am and 2.30 and 4.00pm weekdays.

HOW TO USE KISS & DRIVE

- Drivers to move as far to the front of the Kiss & Drive bays as possible
- Drivers must **stop** in a marked bay and **remain** in the vehicle
- Children alight from/get into the vehicle from the **left** side only
- At pick up time, ask your child to make their way **quickly** from their class and wait **behind** the red line at the school fence
- Children need to keep a **lookout** for the car/driver picking them up
- **Time** your pick up to allow children enough time to be ready
- If your child is not waiting at the fence ready, a parent helper or staff member may **ask** you to **move** on or take a loop. **Please be courteous to these people**
- The **morning is no different** to the afternoon. If your child needs assistance to alight the vehicle or requires assistance with their bag, **then Kiss & Drive is not for you**

KISS & DRIVE CIRCUIT TO PREVENT TRAFFIC BUILD UP

If **one** or **all** of your children are not ready at pick up time, or the bays are full in the morning or afternoon, please complete the circuit.

- Proceed around Juniper Way roundabout, left into Davallia Rd, right into Granadilla St, around Quilter Drive roundabout, then continue back to Kiss & Drive.
- The circuit takes about 2 minutes, which gives children more time to be ready and **keeps the traffic flowing**.

WHERE CAN I PARK IF I ESCORT MY CHILD TO CLASS?

Kindy and Pre Primary children are escorted to school so parents/carers can assist them with their morning routine. Pre Primary children can use Kiss and Drive if they are escorted by an older sibling who is in Year 5 & 6. (Sorry siblings in Year 4 and below are not permitted to escort Pre-Primary children to Kiss and Drive)

Davallia Rd

- Park on either side of the road and cross safely with the crosswalk attendant.
- **Please park considerably to allow the max. number of cars between driveways.**

Juniper Way

- Park on the road 10m past the roundabout beyond the double white lines.
- Parking is only permitted on the park (east) side of Juniper Way
- Please don't drive over the footpath or use the "service vehicles" driveway to park on the grass between the footpath and the wooden logs alongside Juniper Park
- The driveway into the staff car park can be an unsafe place for pedestrians to cross. Do not park on the grass near the entry to the staff carpark
- Do not park anywhere on the roundabout
- **All areas are well sign posted by the City of Joondalup. Rangers regularly patrol these roads and do issue notices and fines.**

Campion St & Kelvin Rd

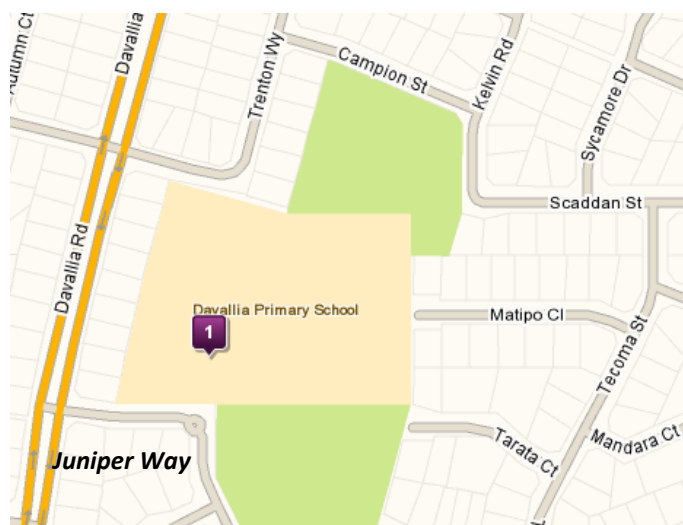

- Parking on verge and in designated bays
- This is a good option for families in the Early Learning Block. Walk through the park towards the footpath leading into the north side of school

Matipo Ct & Tarata Ct

- Additional parking is also available here.

KISS AND DRIVE VOLUNTEERS

The success of Kiss & Drive has been largely due to the wonderful support of our parent volunteers and school admin staff. We have had over 100 families offer their time to Kiss & Drive since its' inception in 2006. We are always in need of relief and fortnightly helpers. Please contact Sandra on 0424 251 124 if you are able to help.

It would be appreciated if you could advise any family members or friends who pick up or drop off your child of our Kiss & Drive requirements and parking arrangements.

Thank you for your co-operation and support.

Please be considerate to our neighbours when parking around the school.
