Swimming Lessons

The PP-3 swimming lessons at Craigie Leisure Centre are over halfway through now and have been running seamlessly. Our little PPs have been very independent and our Year 1-3s have been great role models. So far, the weather has been quite kind to us and as a result attendance rates have been excellent.

I’d like to acknowledge the efforts of parents in readying the children for the challenges of swimming lessons and our staff who have done a great job coordinating the groups and ensuring the safety of all our students, particularly those with specific needs.

School Development Day (Long Weekend)

Our next School Development Days will be held on Friday 29th of May and with Monday 1st of June a public holiday, students will enjoy a 4-day weekend. Staff will be participating in professional learning on the Friday and will be joined by staff from other schools across the district. Staff will be engaged in curriculum discussion and listening to guest speakers sharing their expertise. These days are a great way to share knowledge and best practice while building networks with teachers outside of Davallia.

Reconciliation Week

Week 6 (25th – 28th of May) is Reconciliation Week and as part of recognising the significance of Sorry Day and this week of reflection, students at Davallia will be engaged in a range of cultural experiences including a special assembly on the 28th.

Interschool Sport

Davallia is two rounds into the Carine District winter sport fixtures having completed games against Marmion and Duncraig so far. Results have been mixed with some impressive wins and a few disappointing losses. This week we travel to Carine Primary School in the hope of securing a win or six in volleyball, football, netball or soccer.

School Uniforms

Just a reminder that the School Board approved items are the only items considered part of the Davallia school uniform. Please support the school by making sure your children come to school in the school uniform jumpers or jackets as the weather changes leading into winter. It is also important to make sure every item is labelled, especially during swimming lessons and when children are participating in sport and get warm.
